Principals message

Tēnā koutou ngā whānau o te kura o Whakamaru.

Kīwaha o te wiki - Saying of the week
Kei runga noa atu koe
You're the bomb, you're the one!!

Big thank you to all our parents & caregivers who came to our **Student-Led-Conferences - Kei runga noa atu koe!** If you were unable to attend please let your child's teacher know of a time that suits you. It would be great to get 100% contact with our whanau.

Teacher Only Day, our staff and I travelled to Flaxmere School near Napier, this school has a similar learning and teaching focus. This trip reinforced that we are on the right track in Play-Based Learning and how this concept of learning will continue to improve student outcomes and foster critical thinkers while growing creativity within our students.

Te Whare Ako planting day, is on tomorrow. We know this is an extremely busy time for our whanau but thank you so much to those who will be assisting with transport. It should be a fantastic day.

The **Taupo Rippa-rugby tournament** is next week. If your child has registration forms etc, please return them asap.

Our students are practising their **Cross Country** running and are looking forward to the our Pinelands Cross Country on Friday 27 August.

Uniform - votes are still coming in for the optional school hoodie. Please remember this is an option.

Lucky Book orders have been distributed and the closing date is the 10 September.

Heaviest Calf Competition—if you have a calf for our competition please phone Elva and she will send a registration form home with your child.

Check out the **Term Calendar** on the back page for College Open Days, sporting events and a range of activities happening throughout this term.

Nga mihi nui

What's been happening at school

The senior school were lucky enough to have a visit from Rachel (Geo40), Rebecca and Dana (Western Energy) as part of the Geothermal week focus in Taupo. We took part in a fun experiment creating carbon dioxide and learning about its effect on our world.

BP Challenges

Superb couple of afternoons watching our students try to solve a range of BP Challenges. BP Challenge is a hands-on competition where students **work as a team** using simple materials to solve problems. Once known as the BP Technology Challenge, the BP Challenge has strong links to New Zealand's technology, science and mathematics curriculum and other curriculum areas.

Room 3 students strengthening their number knowledge in maths through a variety of games and challenges. Check out the NZ Maths website for ideas of what you can do at home to help your child build their maths skills.

Heaviest Calf Competition 2021

Current holder
Jay
Farm 3 WMI—194kg
